DRAU GHT BEER

Brooklyn Lager 30cl / 50cl 8 10

The first recipe ever brewed at Brooklyn Brewery: the amber-coloured American Amber Lager with a distinct malt note, refreshing bitterness and a floral hop aroma due to cold hopping. The classic for craft beer beginners!

Carlsberg 30cl / 50cl 8 10

Carlsberg, the golden yellow beer with an appealing, light hop note, refreshes with a full-bodied body and a balanced bitterness. Slightly malty and well balanced, the drinkable beer delights with its tingly, fresh finish.

Grimbergen Blonde 6.7% 8 10

Like a phoenix from the ashes, the golden Grimbergen Blonde rises in its glass. A noble, fruity abbey beer with a hint of piquant spice. Sweetish and slightly malty in the finish with a long-lasting finish.

Valaisanne de Cave 5.4% 8 10

Valaisanne Zwickel is a beer just like Valais: with rough edges. Just like Valais, this makes it unique and leaves a lasting impression. The Zwickel is brewed with the Czech hop icon Saaz hops and bottled unfiltered - for unadulterated enjoyment!

Magners Irish Cider 8 10

30cl / 50cl

It is the original of the Irish brand Magners: brewed with seventeen different varieties of apples. When William Magner set himself the goal of creating Ireland's best cider in 1935, he created the Magners Original. Since then, hardly anything has been changed in the recipe - why should it?

Feldschlösschen Hopfenperle 30cl / 50cl 5.5 9

The use of noble barley malts and a harmonious blend of aromatic and bitter hops give Feldschlösschen Hopfenperle its unmistakable taste.

Feldschlösschen Weizen 30cl / 50cl 5.5 9

Feldschlösschen Weizen is a sparkling wheat beer. It contains the best wheat malt and is refined with orange peel and coriander. This gives it its special freshness.

Feldschlösschen Dunkel 30cl / 50cl 5.5 9

Feldschlösschen Dunkel is a dark lager full of character. The careful use of light and dark brewing malts gives the beer its distinctive, malt-aromatic taste.

Feldschlösschen Braufrisch 30cl / 50cl 5.5 9

This naturally cloudy beer was brewed with passion in the castle and impresses with its uniquely refreshing taste.

BOTTLED BEER

Astra 33cl **7.5**

The original from 1909: mild, finely spicy and simply delicious with 4.9% alcohol. Brewed with love in the heart of Hamburg.

Brooklyn IPA 33cl **9**

A strong, hoppy beer with mostly pronounced, floral aromas of citrus fruits. The history of this beer style goes back to colonial England. The strong hopping and higher alcohol content preserved the beer for transport to India. Brooklyn East IPA has a wonderfully hoppy aroma of lemongrass and pine with a robust, tart finish.

Corona 33cl **8**

The Corona Extra beer tastes mild, flowery, slightly hoppy and minimally bitter. As you continue to drink, the beer becomes watery with a slight fruity and sour note that has an astringent effect. The finish is spicy bitter with palatable floral notes. Overall, this beer is balanced and an ideal beer for the summer.

Feldschlösschen Alkoholfrei 33cl **8**

Beer is more than just alcohol. For this reason, Feldschlösschen Alkoholfrei offers a selection of refreshingly natural thirst quenchers that provide a tasty alternative without compromise.
